- Operational Excellence
- Self-Development Coaching
- Public Speaking
- Written and Verbal Communication
- Leadership and Community Engagement
- Entrepreneurship

## EDUCATION

### BSc, Petroleum Engineering

Rivers State University  
Graduated: 2024

## PROFESSIONAL SUMMARY

Zilpah Idaa is a certified SAP PM Consultant with a BSc in Petroleum Engineering, specialising in plant maintenance systems within the oil and gas industry. Her work sits at the intersection of technical excellence and operational strategy, helping organisations build proactive, world-class maintenance cultures using SAP PM.

Her professional journey reflects deliberate reinvention; from mastering petroleum engineering foundations to becoming a certified SAP Plant Maintenance authority. Beyond consulting, she is an author and self-development coach who guides individuals through meaningful personal transformation.
